

Versiform® for Virginia Circuit Courts

Accept, manage, and process applications online!

Did you know that over 90% of citizens prefer to interact with their government online?

Use Versiform to quickly, easily, affordably and securely give your constituents what they want. Versiform has an out-of-the-box solution for processing applications in Virginia. Let us show you how we can transform your processes to an entirely electronic system. Fairfax, Arlington and Loudoun counties are already using similar processes, so there is no need to worry about compliance with the Commonwealth's rules and regulations. We've got you covered!

What Versiform® Will Do:

Simplify Data Entry, Save Time, Eliminate Mistakes

Save your clerks' valuable time by removing paper process and human error. Enforce consistent data entry and flow.

Provide Easy Analytics

Analyze your data, know your constituents, predict high demand periods, trends and more.

Future Proof

Versiform is looking ahead for you, with application updates (e.g. Marriage License - same sex), process improvements, and new technologies to leverage.

Collect Digital Signatures

Collect and store signatures using leading digital signature technology such as Topaz and Adobe Echosign.

Allow Online Payment

Integration with third-party online payment gateways for convenient collection of application fees.

Out-of-the-Box Solutions for:

- Marriage Licenses
- Name Change Applications (adult and minor)
- Handgun Permits
- Divorce or Annulment Reporting
- Certificate of Partial Satisfaction
- and much more!

Additional Benefits:

24/7 Government

Let your constituents complete forms on their own time.

Instant Access

No more rifling through file cabinets for documents! Simply search all Circuit Court Documents to find what you are looking for!

Cloud Hosted

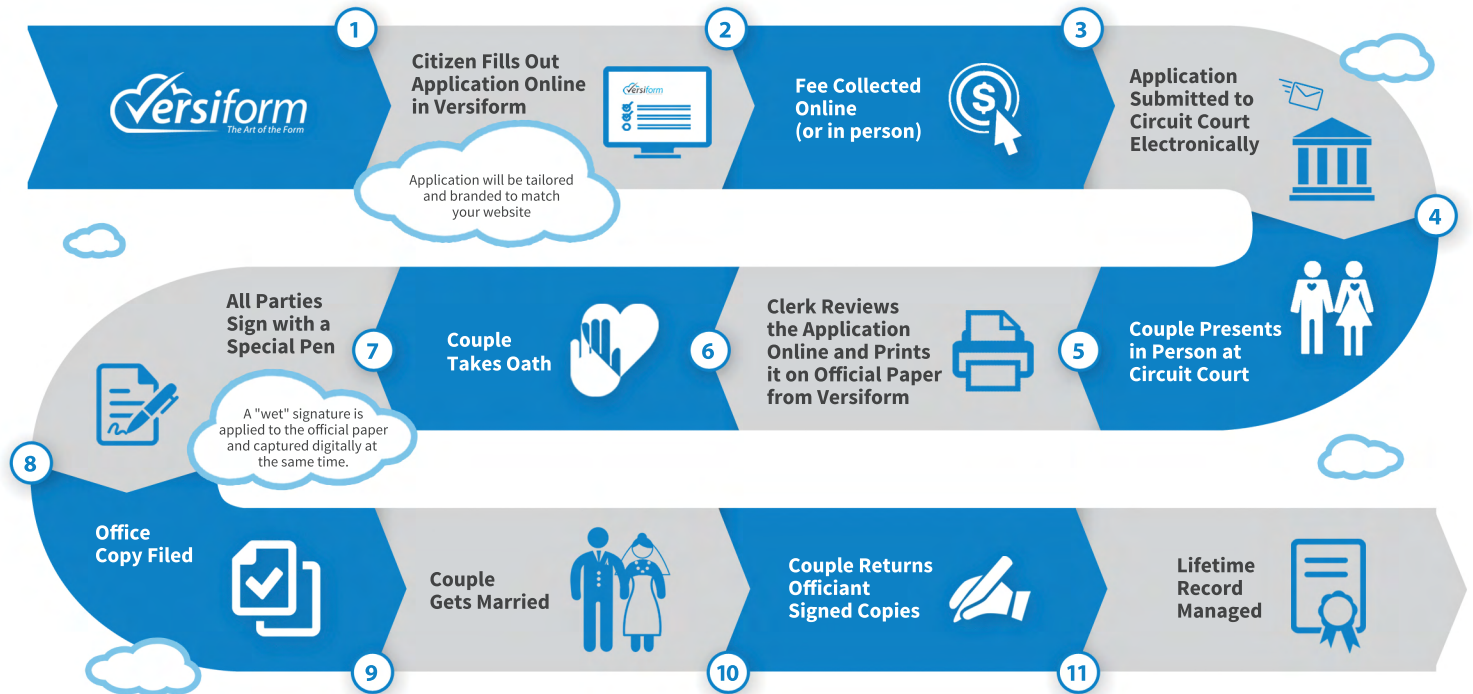

Requires no setup and completely secure.

Auditing & Workflow Visibility

Each step of the process is visible to your team from the time an application is opened, viewed, approved and recorded.

Marriage License Process Overview

Versiform is so much more than a Marriage License Solution

The Marriage License process allows us to easily demonstrate the power of Versiform to you and your constituents and prove its value. Versiform's power extends far beyond its Marriage License solution. With Versiform, you can quickly transform just about any paper-based process or legacy data collection technique to the web. Versiform's point-and-click interface makes it easy for you to collect more reliable data - **no programming - no consultants required!** Beyond sophisticated tools to collect better data, Versiform includes an intuitive suite of online modules that streamline processing, distribution, and management of information from a single application that integrates seamlessly with your other core business applications.

Although consultants are not required, the talented people of Versivo, the creators of Versiform, are always available to help you. Whether you need assistance with formalizing an idea, implementing a solution, or supporting an existing solution, we have a great team of people at the ready to support you from our offices in Arlington, Virginia or onsite at yours.

We serve a wide variety of clients around the Washington D.C. beltway and across the country. To hear more, give us a call at (866) 222-2145 or send us an email at info@versivo.com. We look forward to hearing from you!
